LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter was held on June 17, 2021,
WHEREAS, the discovery in this case was stayed until March 7, 2022,
WHEREAS, the parties were ordered to file a joint letter and a proposed case
management plan by April 20, 2022,

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case
management plan. It is hereby

ORDERED that the Rule 16 conference is waived. If the parties believe that a
conference would nevertheless be useful, they should inform the court immediately so the
conference can be scheduled. The case management plan and scheduling order will issue in a
separate order. The parties' attention is particularly directed to the provisions for periodic status
letters, and the need for a pre-motion letter to avoid cancellation of the final conference and
setting of a trial date.

The parties should be aware that the Court does not extend the deadlines for fact and
expert discovery absent compelling circumstances.
